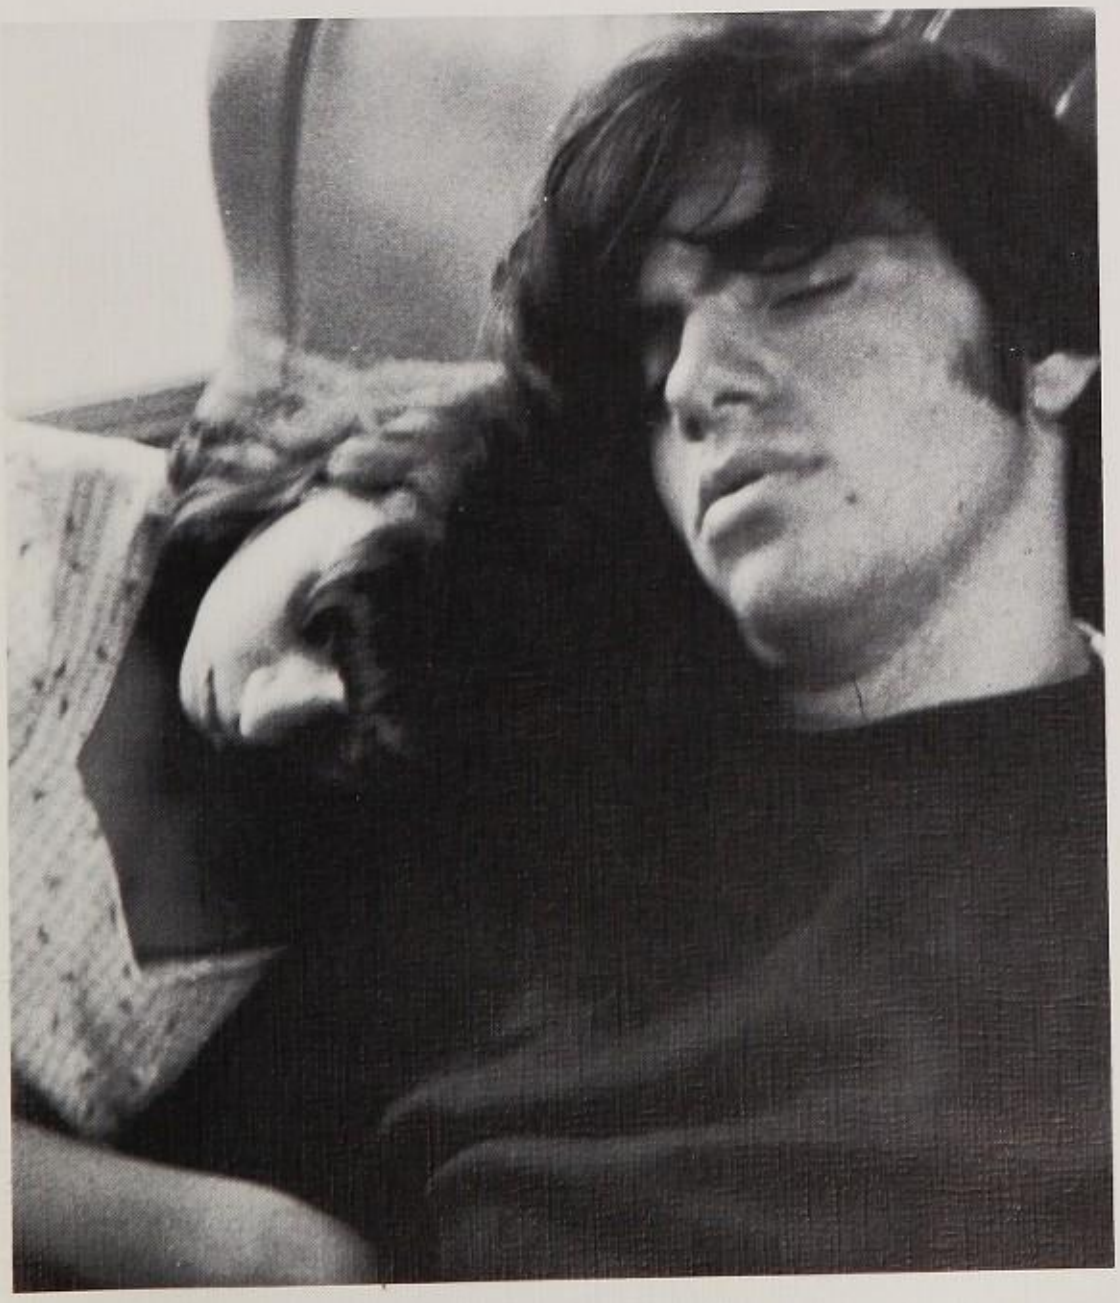
Memories, like the
corners of my mind,
Misty watercolored
memories of the
way we were.

— Marilyn and
Alan Bergman

When you think of me,
and you must . . . hopefully,
be lonely.
When you close the door,
and I'm out of sight,
or hear my voice in the
black of night,
be lonely.
When your arms reach out
to envelope thin air, don't
despair — I'm there,
and lonely.
— Marilyn Ducati

Miles from nowhere,
not a soul in sight,
but it's alright.
I have my freedom
I can make my own
rules, the ones that
I choose.
— Cat Stevens

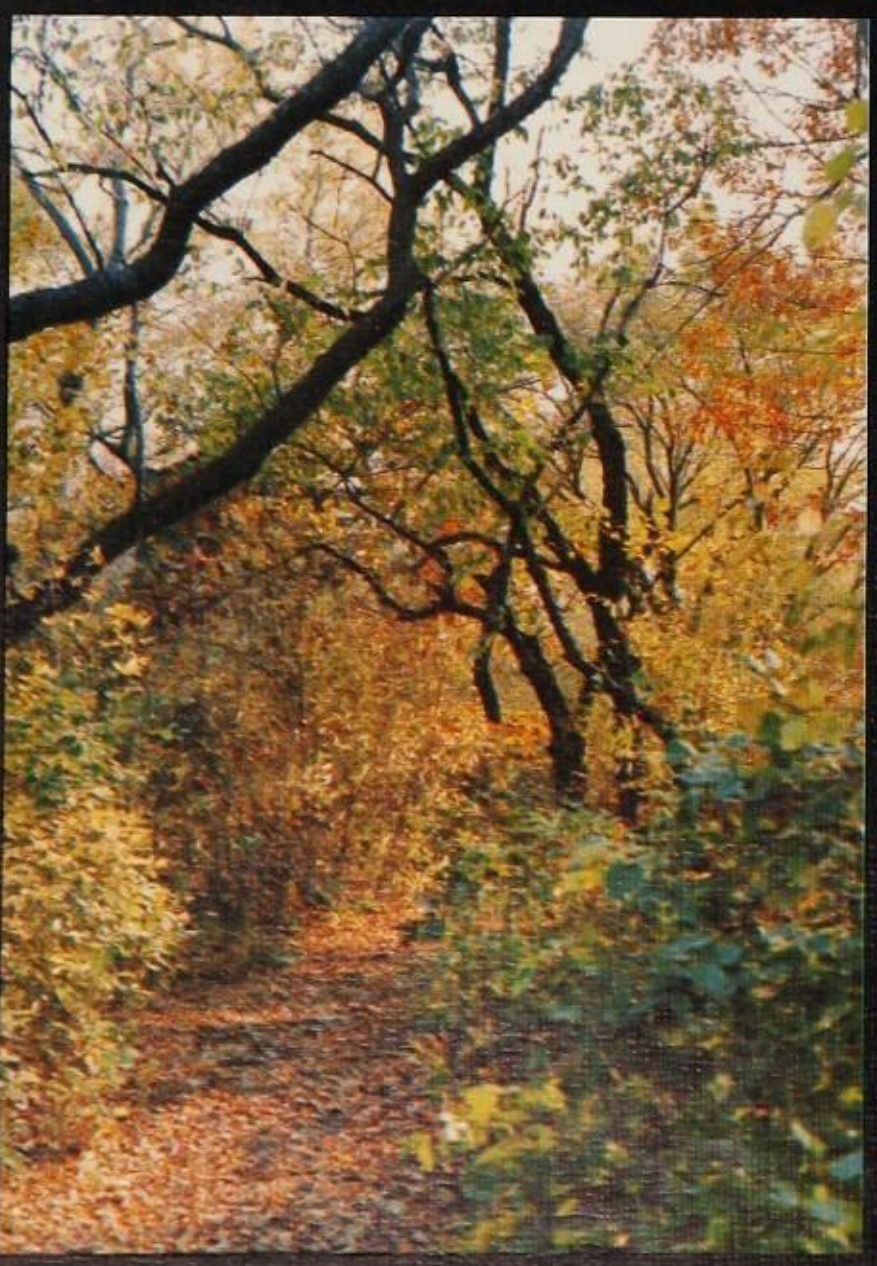


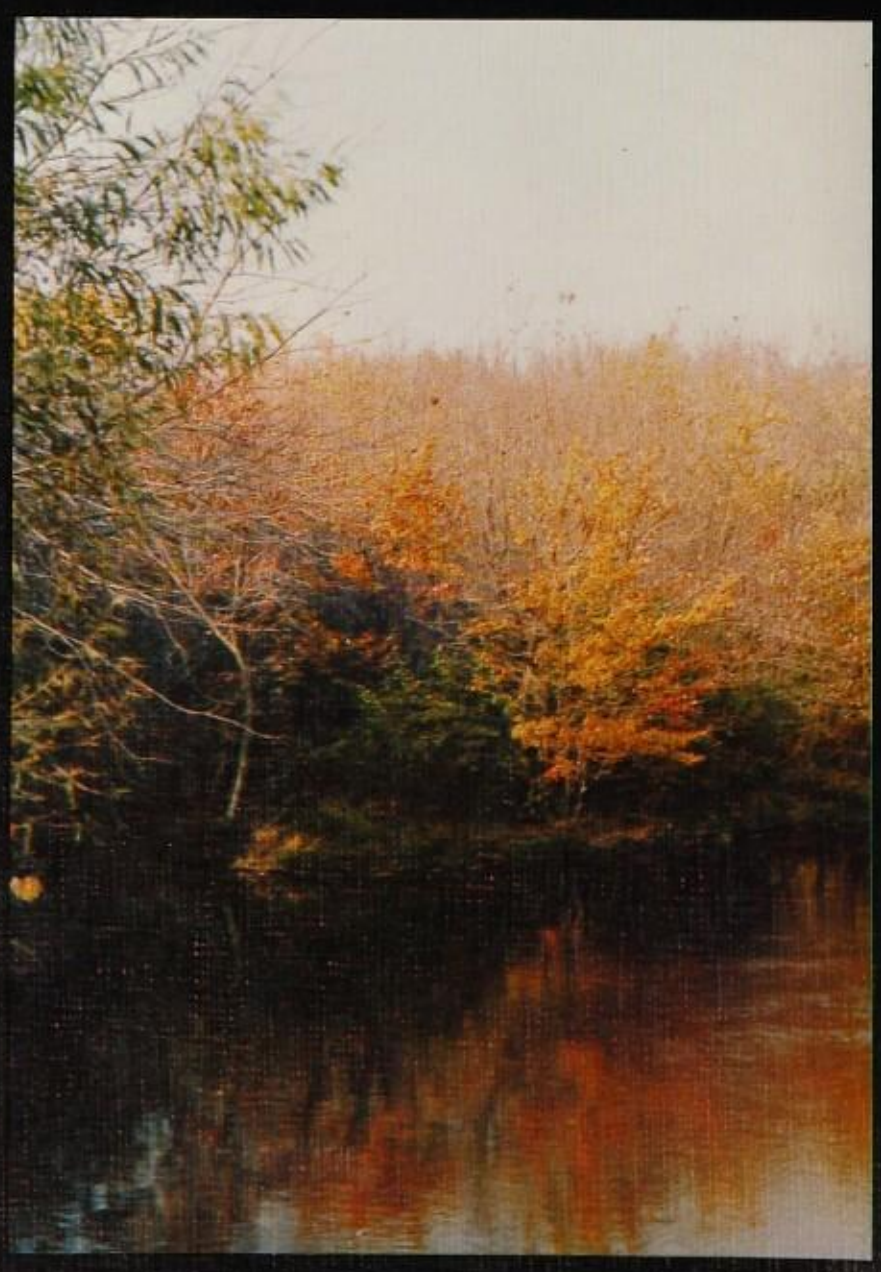
If I could make days last
forever,
If words could make wishes
come true,
I'd save every day like a
treasure and then
Again, I would spend them
with you.

— Jim Croce

When the white eagle of the north is flying overhead.
The browns, reds and golds of autumn lie in gutter, dead.
Remember then, that summer birds with wings of fire flaying.
Came to witness springs new hope, born of leaves decaying.
Just as new life will come from death, love will come at leisure.
Love of love, love of life and giving without measure
Gives in return a wonderous yearn of a promise almost seen.
Live hand-in-hand and together we'll stand
On the threshold of a Dream. ——

The Moody Blues



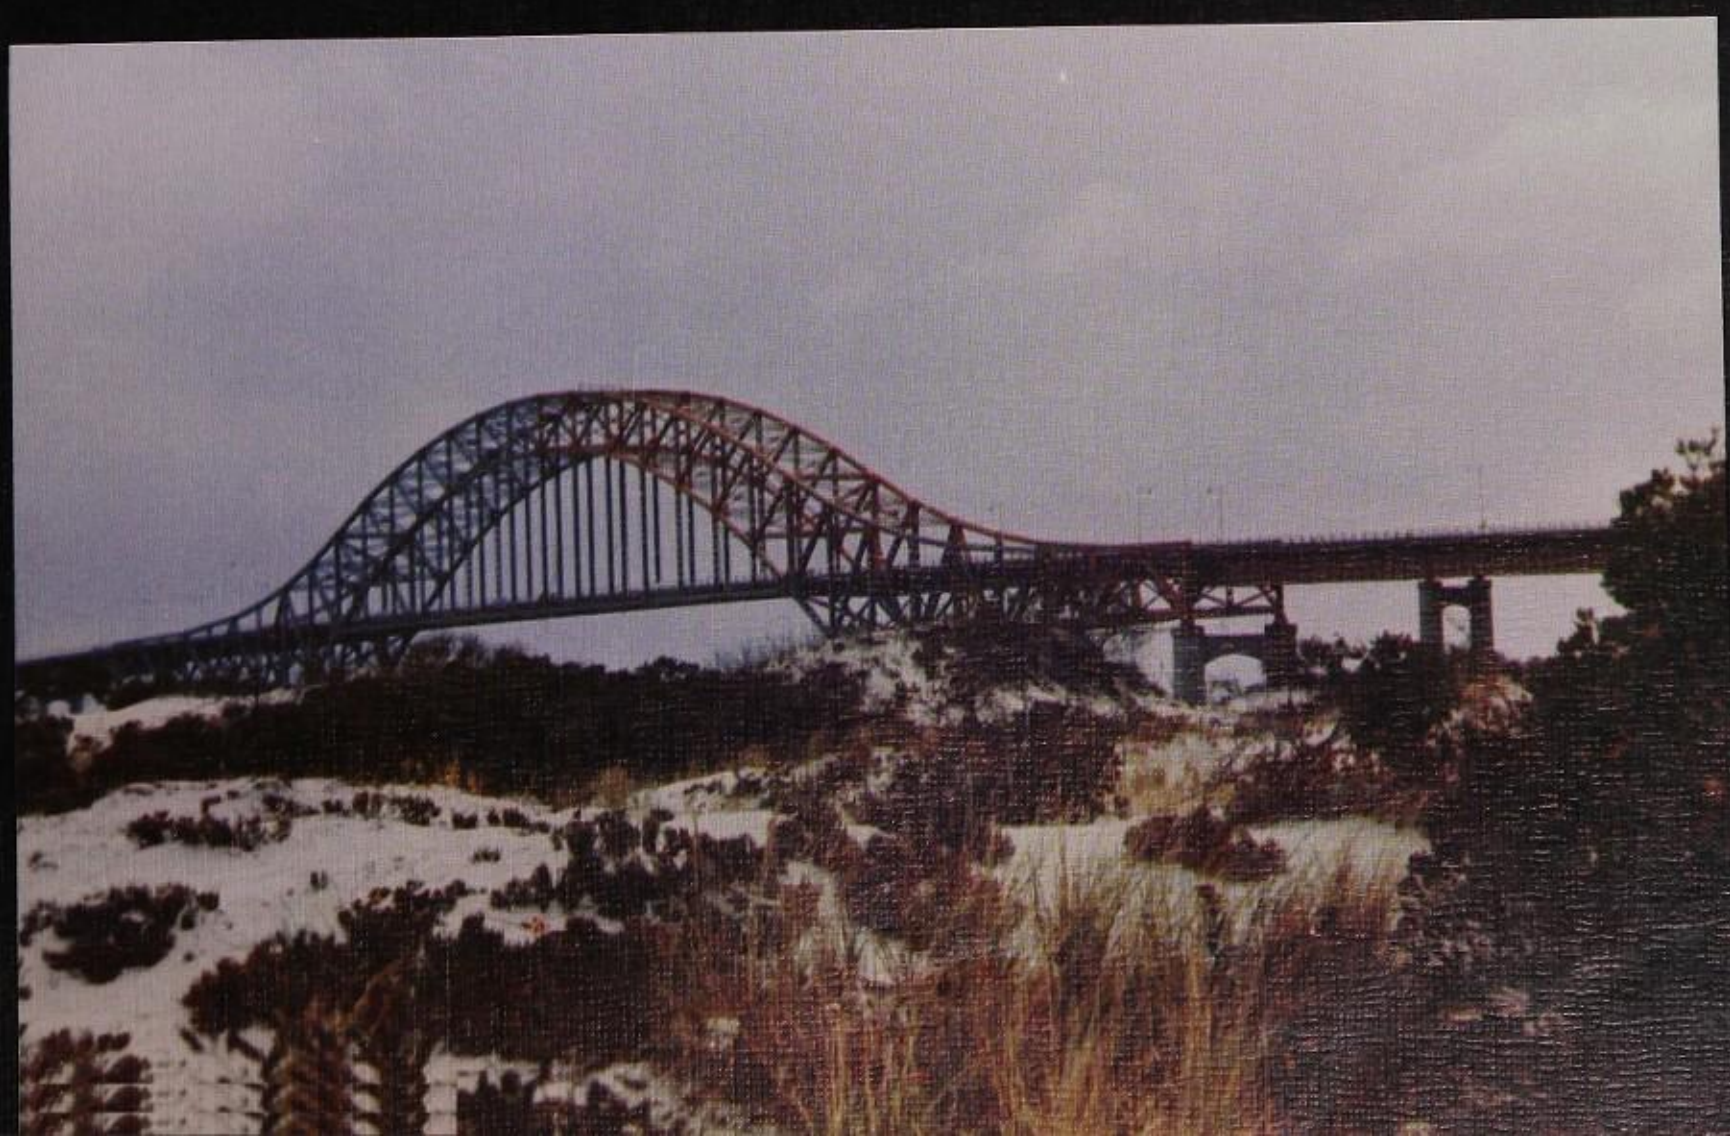


All the times I've cried
Keeping all the things I knew inside
It's hard, but it's harder to ignore it
If they were right I'd agree
But it's them they know not me,
now there is a way
and I know that I have to go away
I know I have to go . . .

— Cat Stevens

I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood and I
Took the one less traveled by,
And that made all the difference.

— Robert Frost

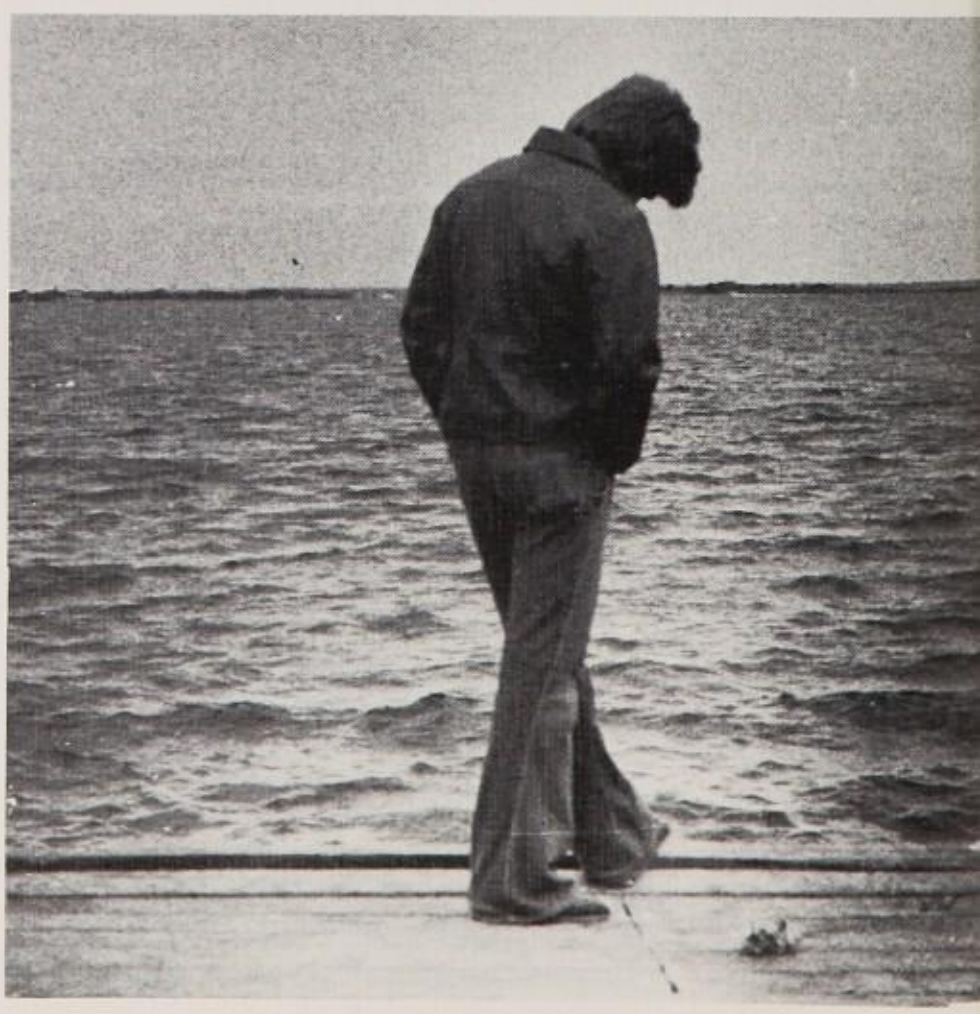


All the odds are in my favor.
Something's bound to begin.
It's got to happen ——
Happen sometime.
Maybe this time I'll win.

—— Fred Ebb
Liza Minelli

Before the breathing air is gone.
Before the sun is just a bright
spot in the night time ——
Out where the rivers like to run.
I stand alone, and take back
something worth remembering.

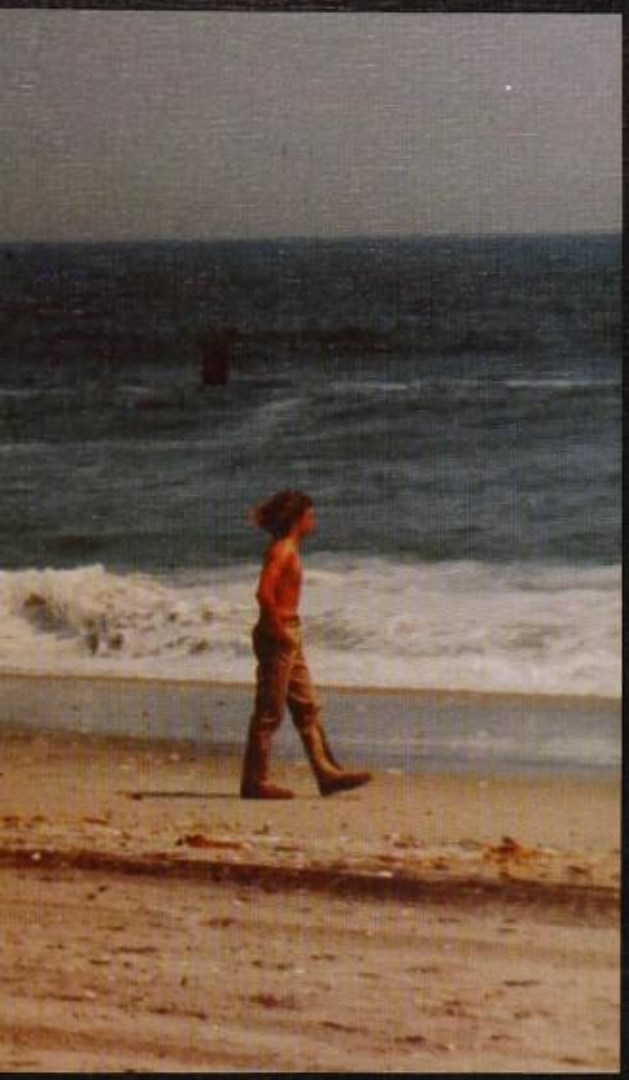
—— Three Dog Night

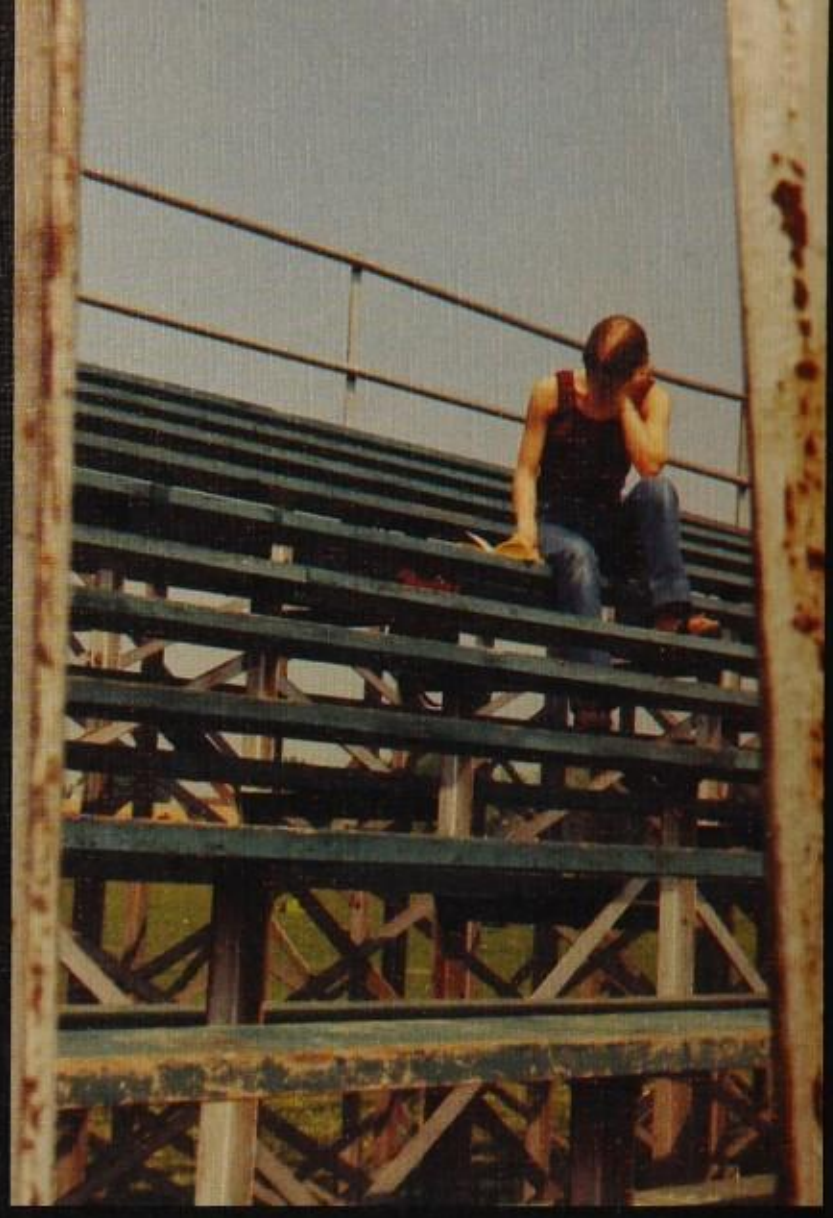


See this scene you shared with me,
hold it tenderly,
frailest beauty, yet profound,
overflowing to the ground,
nature spun so fine.
Love me if you see it too,
lacy network thinnest spine,
branching out beyond all moments.
Holding back forever —
time.

— *Marilyn Ducati*

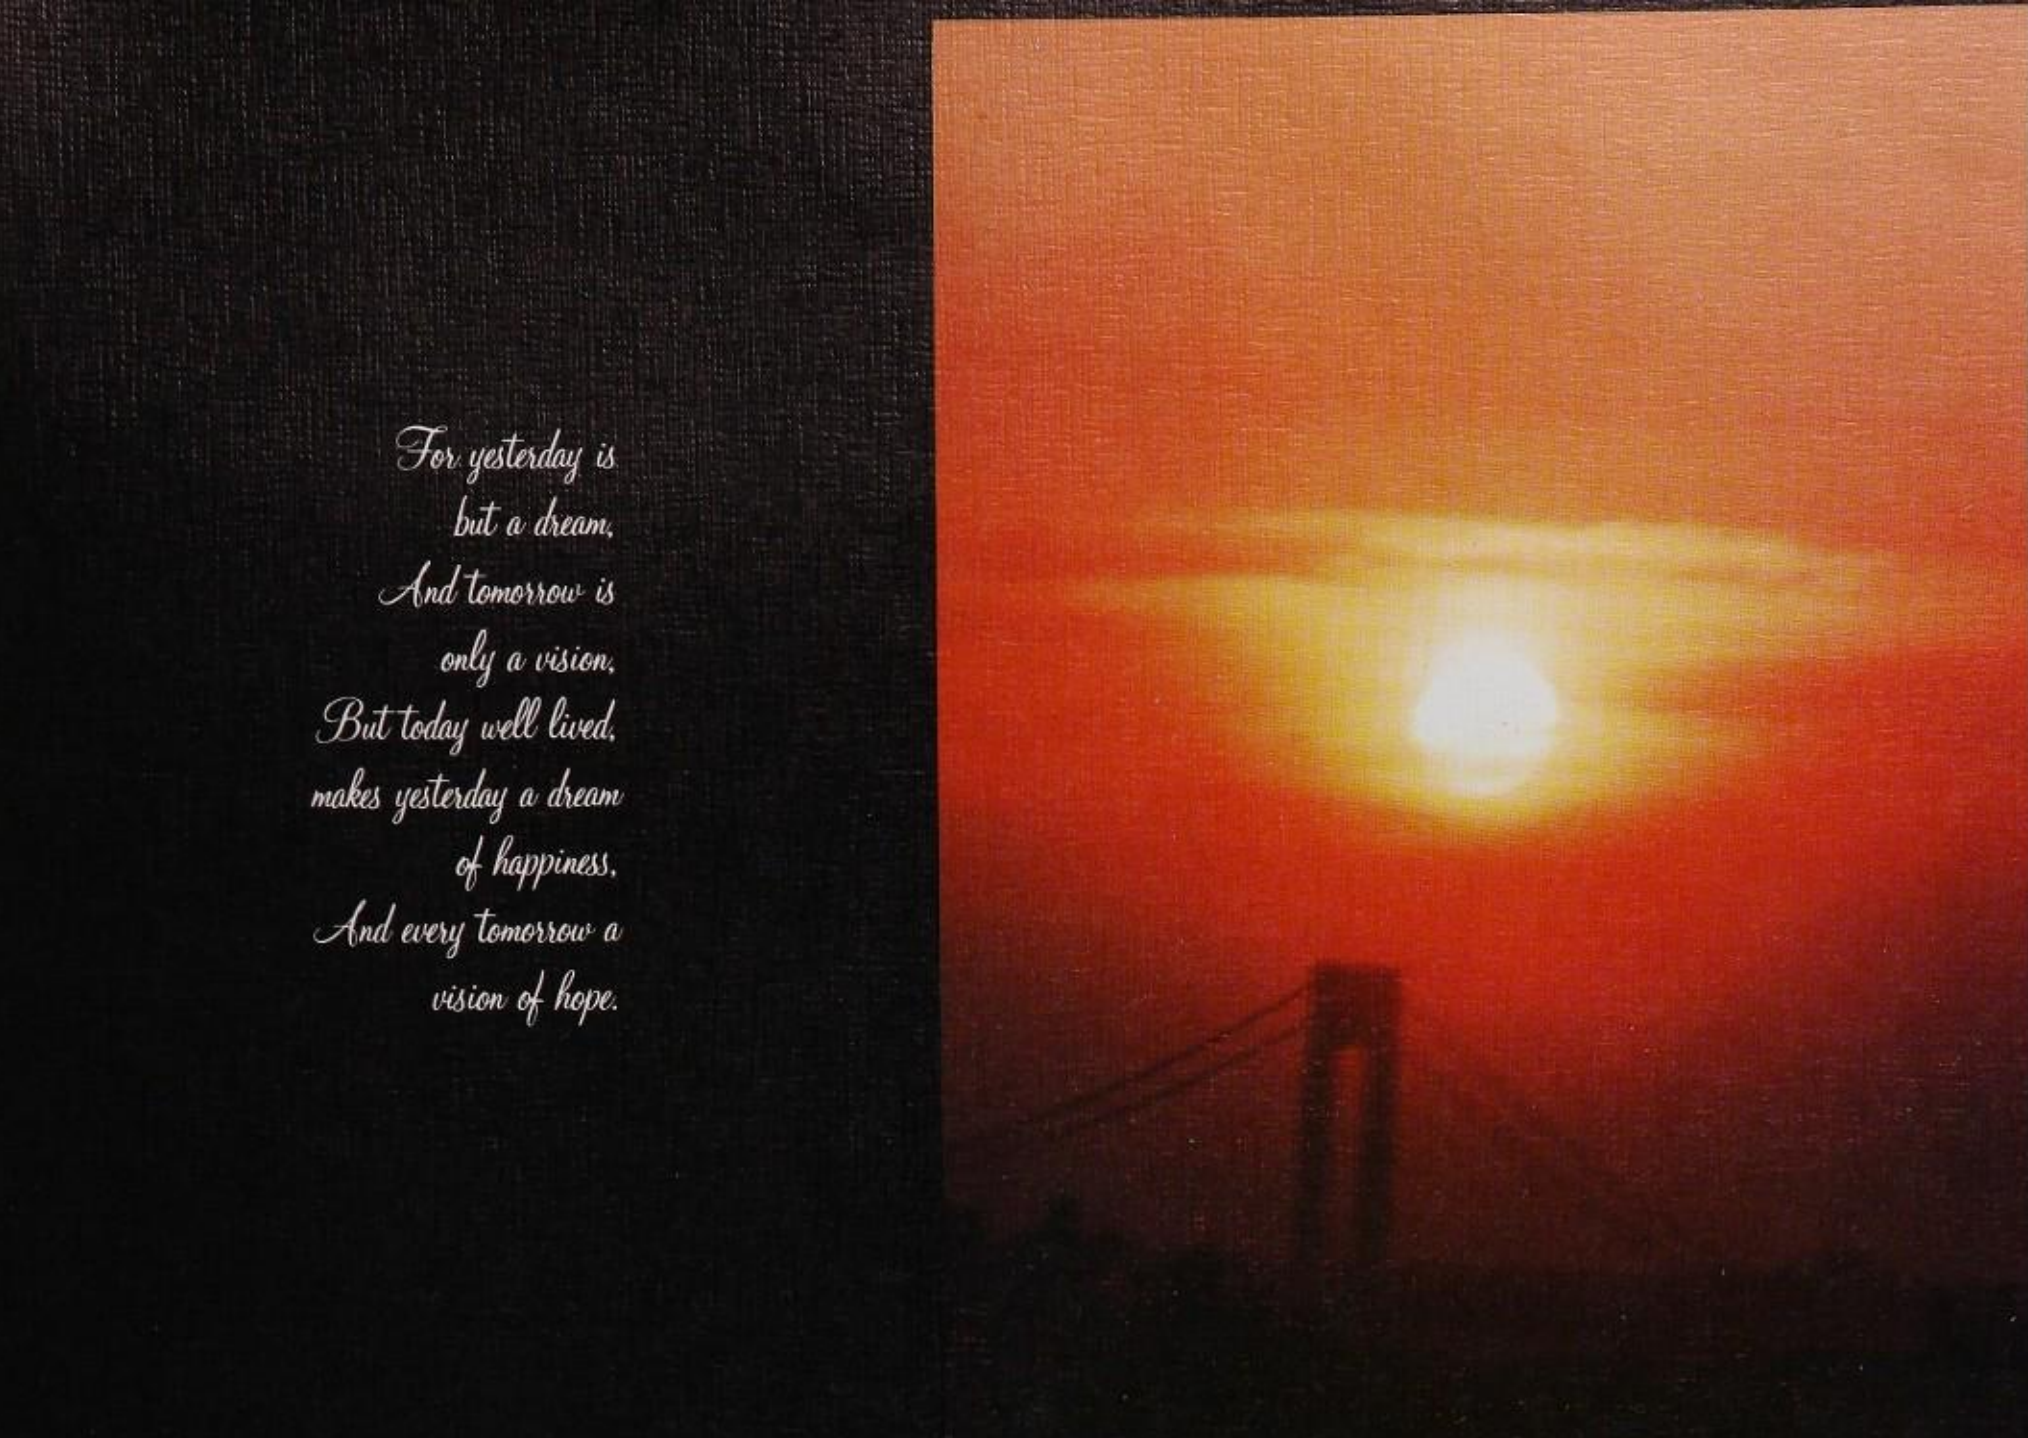
A cracked hurdle of thunder
dissolves and dissolves
under white charred skies.
I am alone
this summer
limped as the solitude
of sea and sky
never knowing the value
of my own company.
— Marilyn Ducati



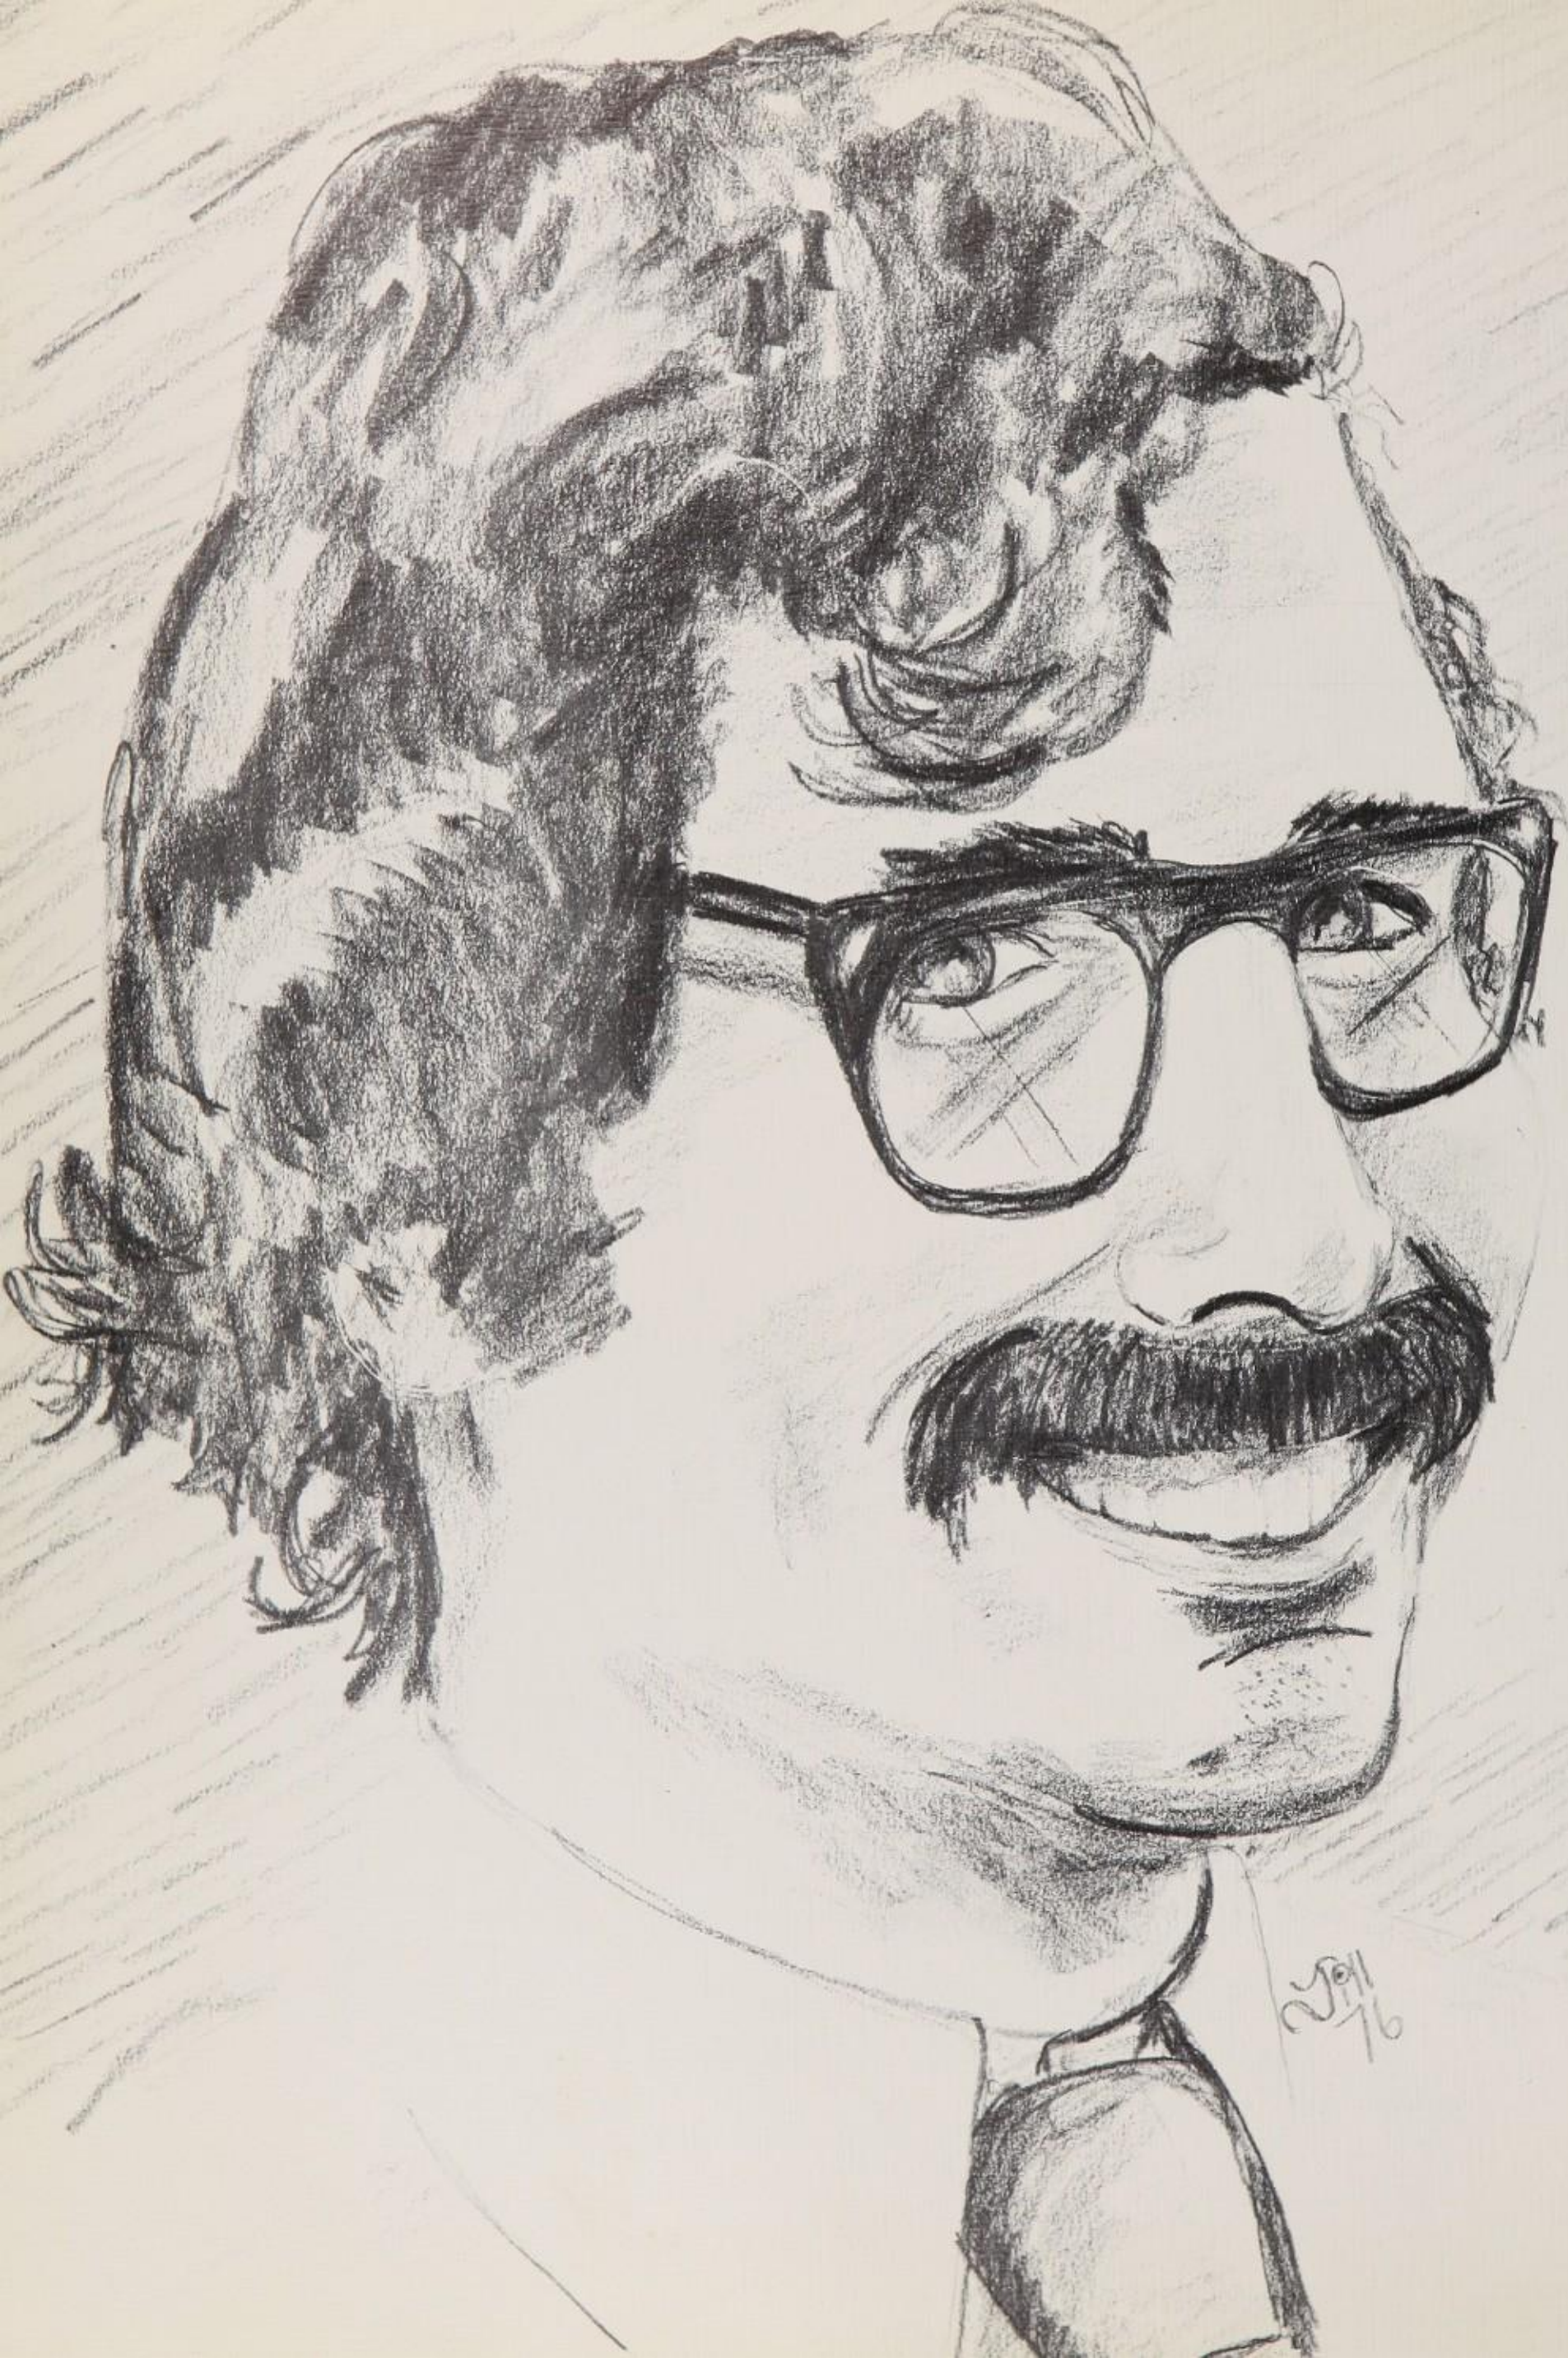


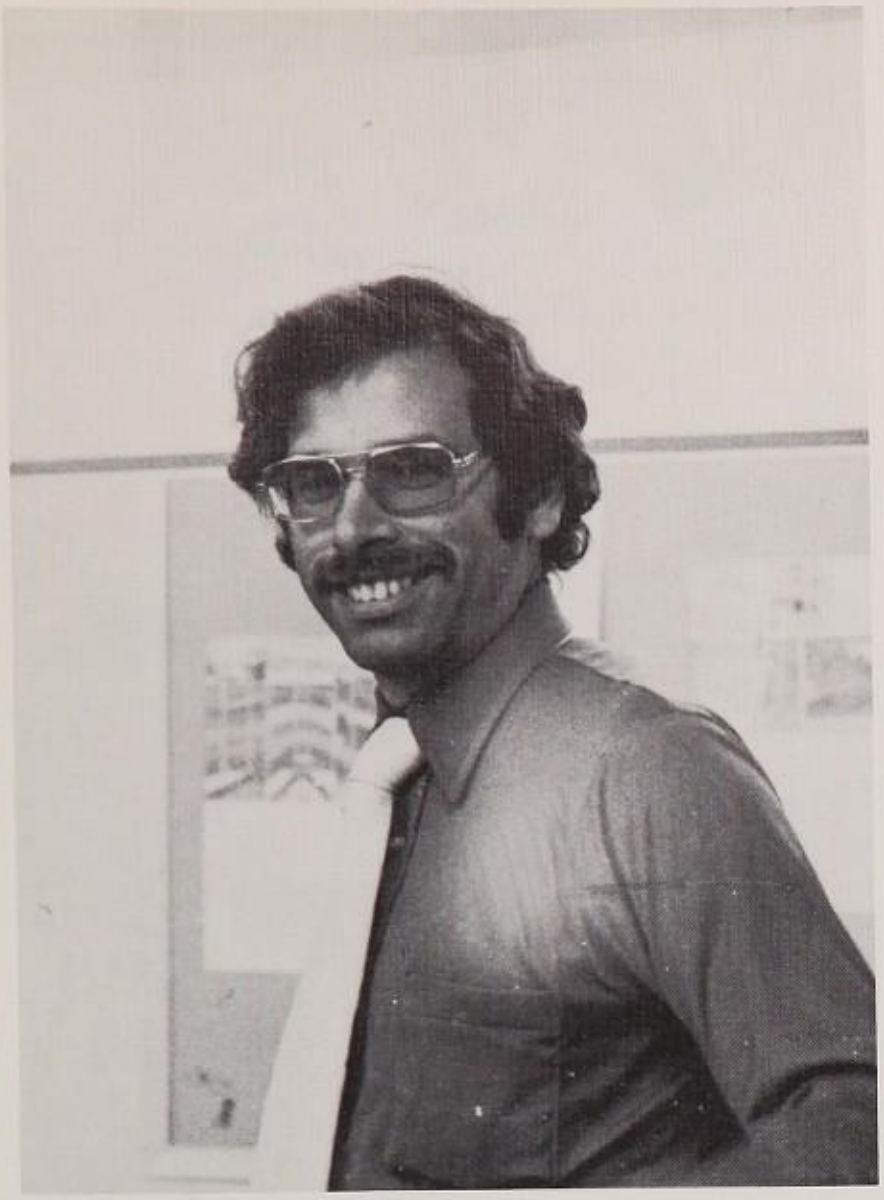
Everybody's lazy,
hangin' out,
hanging round.
— 'Pantama 'Red's Back In Town.

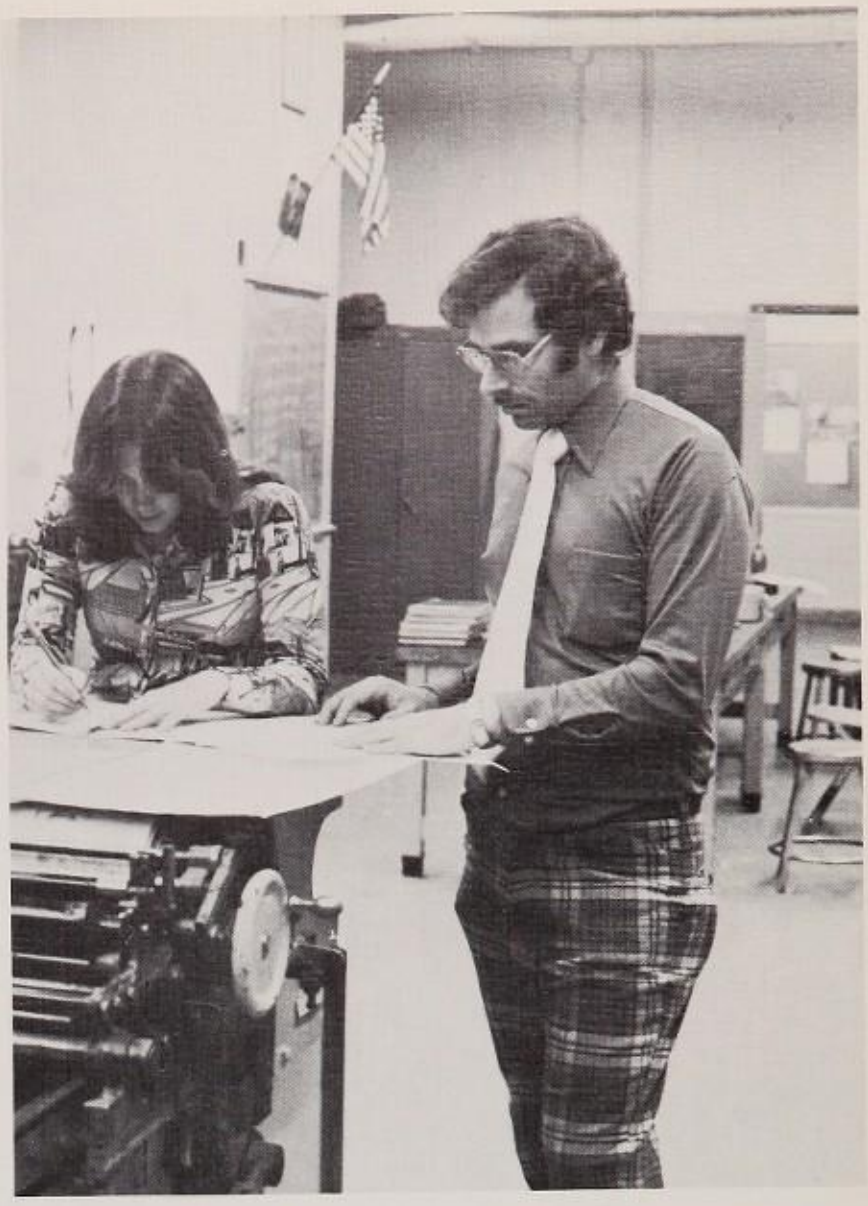
For yesterday is
but a dream,
And tomorrow is
only a vision,
But today well lived,
makes yesterday a dream
of happiness,
And every tomorrow a
vision of hope.



How can I slow down
When I can't stop running
My own shadow
scares me
to death.
— Marshall Tucker

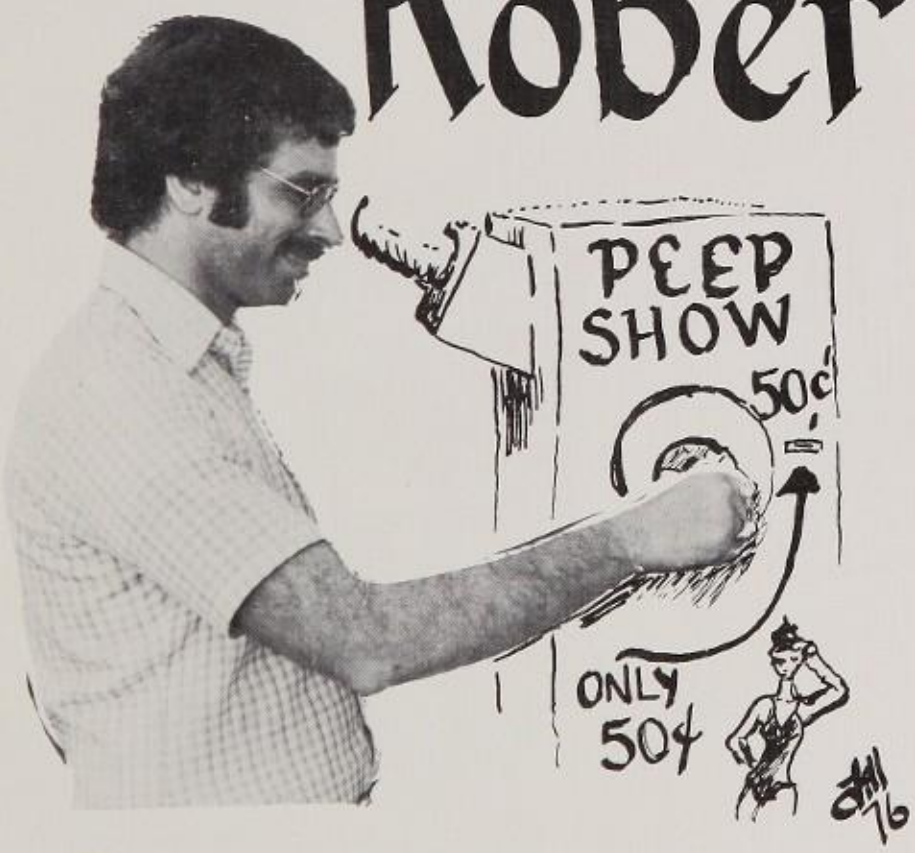






The Seniors of 1976 wish to Dedicate Our Yearbook
To You,

Robert Chinsky



Industrial Arts

We recognize your great contribution to our class, not only as a teacher, but as the driving force behind our yearbook.

We realize that it is not an easy job, and are grateful for your time and effort in putting together our greatest memories of Plainedge.

It is with this in mind — your patience, understanding, and devotion to us — that we dedicate our yearbook to you, one of our most memorable teachers.

In Memoriam

For thirteen years Anita Adolphe taught in the Women's Physical Education Department. During her years at Plainedge High School she coached the Basketball and Softball Teams.

It was through her efforts that a Volleyball Club was organized in 1973. It was hoped that future interscholastic competition for girls in this sport would develop. Her hopes came to fruition last year with our first Varsity and Junior Varsity Volleyball Teams.

She exhibited the same enthusiasm and excitement in her gym classes so that her students could not help but feel her vivacity and eagerness and respond in the same manner.

Anita will always be remembered for her love of life and her love of young people.

Mrs. Adolphe passed away on Sunday, June 1, 1975.

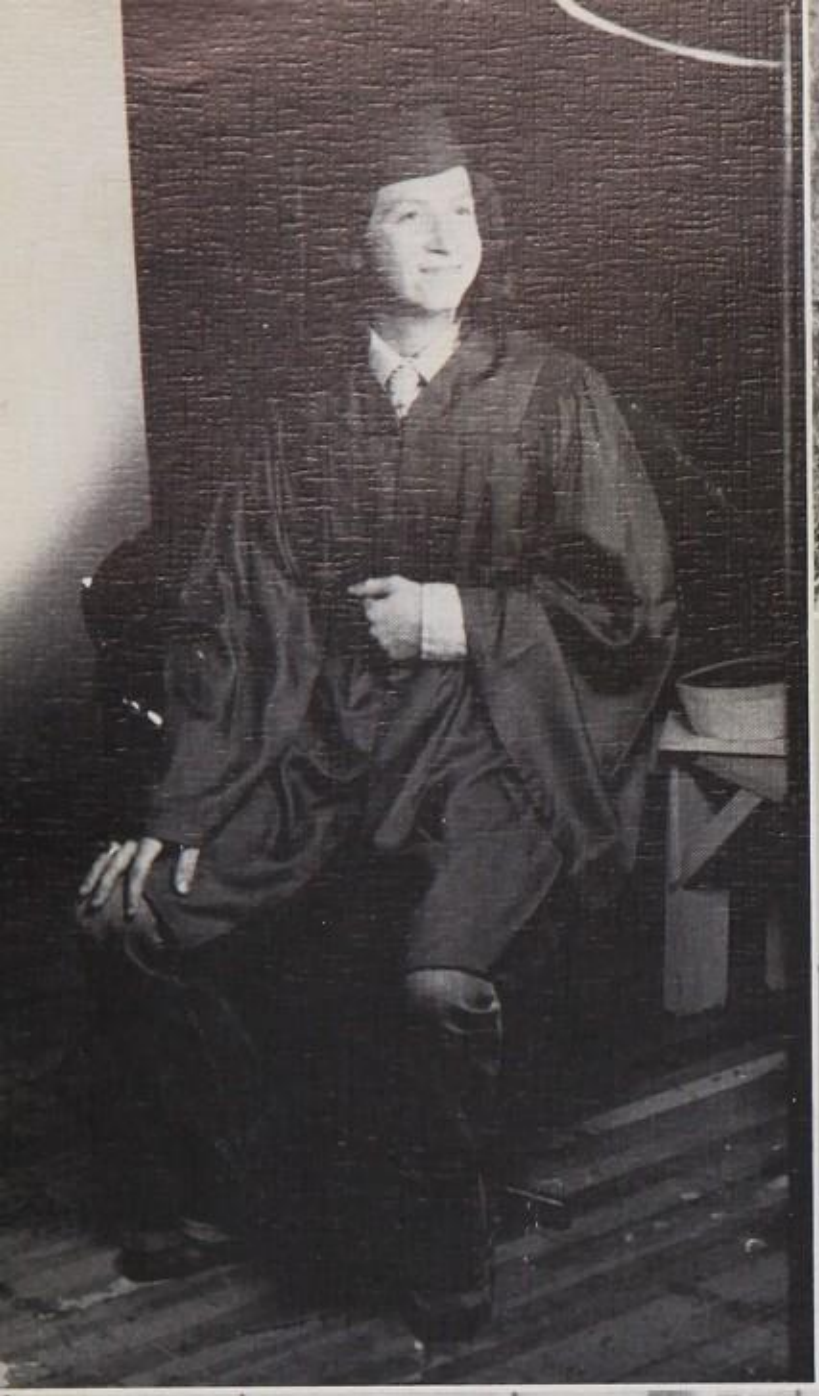
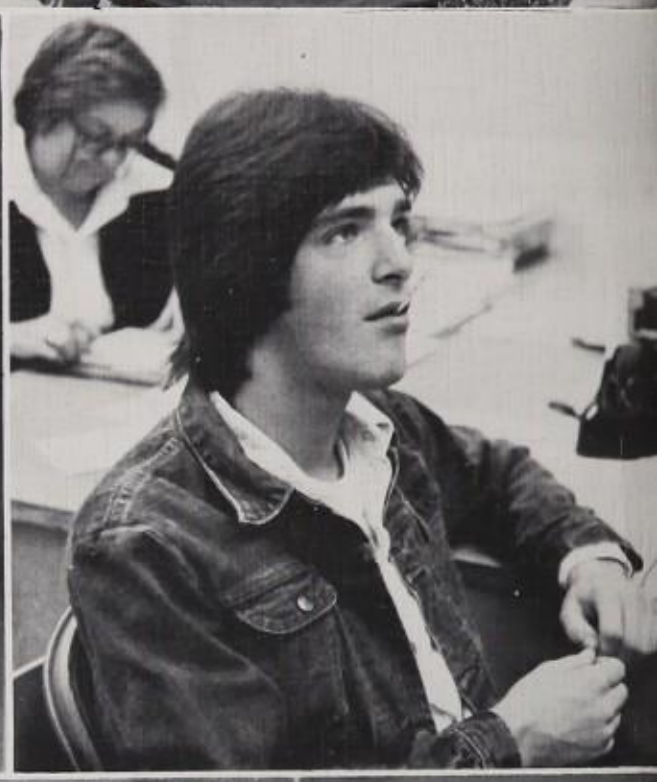
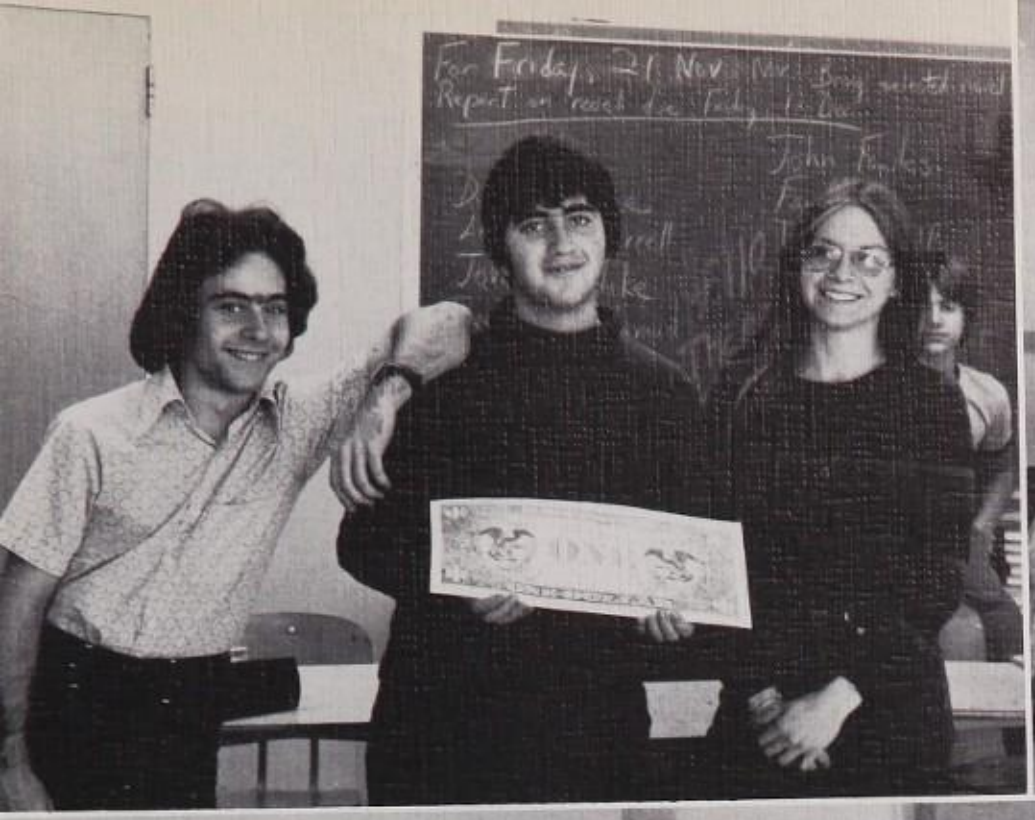
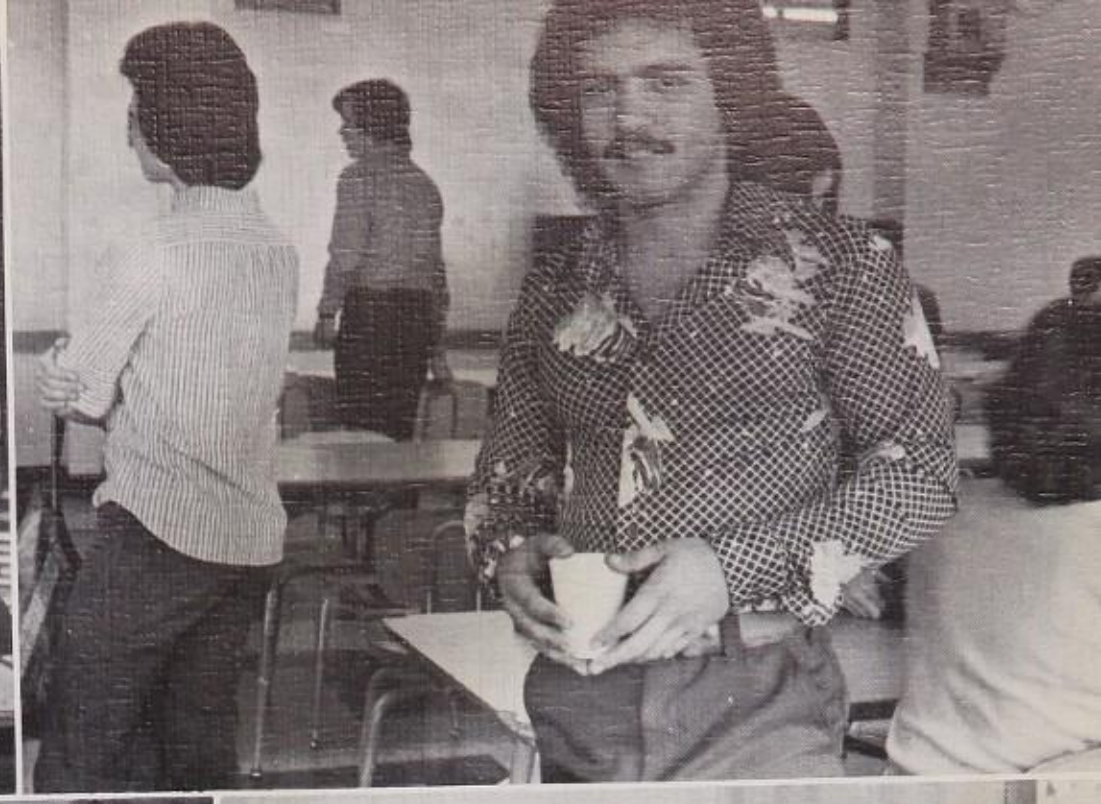
1976 SENIORS









SENIOR CLASS OFFICERS

We, the Seniors of 1976, have had a rewarding and memorable year. Our officers were Lisa Rodriguez, president; Jeannine Giugliano and Suzanne Timpano, both Vice-President; Madelyn Szalay, Secretary; and Lisa Termini, Treasurer. Mr. Emery served as our class advisor. Our class took part in many activities which brought us closer together and helped to make our senior year a great one.

The first event was a fund raiser, the annual magazine sale. Following this was the arrival of our long awaited senior hats.

November was our chance to see some of our alumni friends at the annual Homecoming Dance. The band was "Somethin Sweet" and Linda Olsen was crowned queen.

The 60 seniors chosen for the Maryhaven trip did a fantastic job of entertaining the kids. The original display of costumes and the play we performed made the day enjoyable for all.

Along with the auditions for the Senior Play "Applause," came a certain amount of nervousness. But the long hours of rehearsal paid off when a great performance was given.

The Senior Holiday was at Jug End Resort. There were three days of skiing and good times for all who attended.

The final event of the year was the Senior Prom, held at the Crest Hollow Country Club, which turned out to be a very special evening.

Now that it is over, we must prepare to leave high school. Yet, we will never forget this year, and our friends as we each make and follow our own "Pathways."

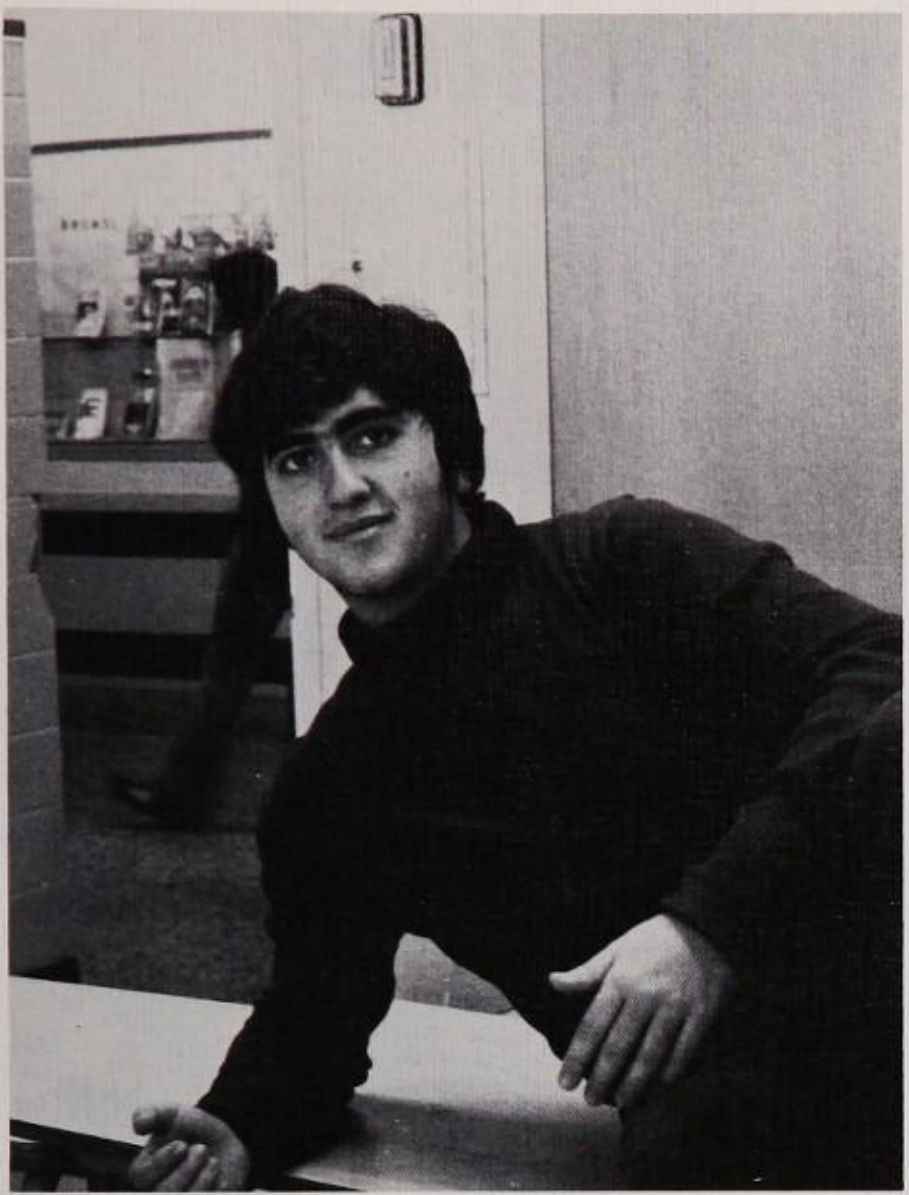
HERSHEY'S

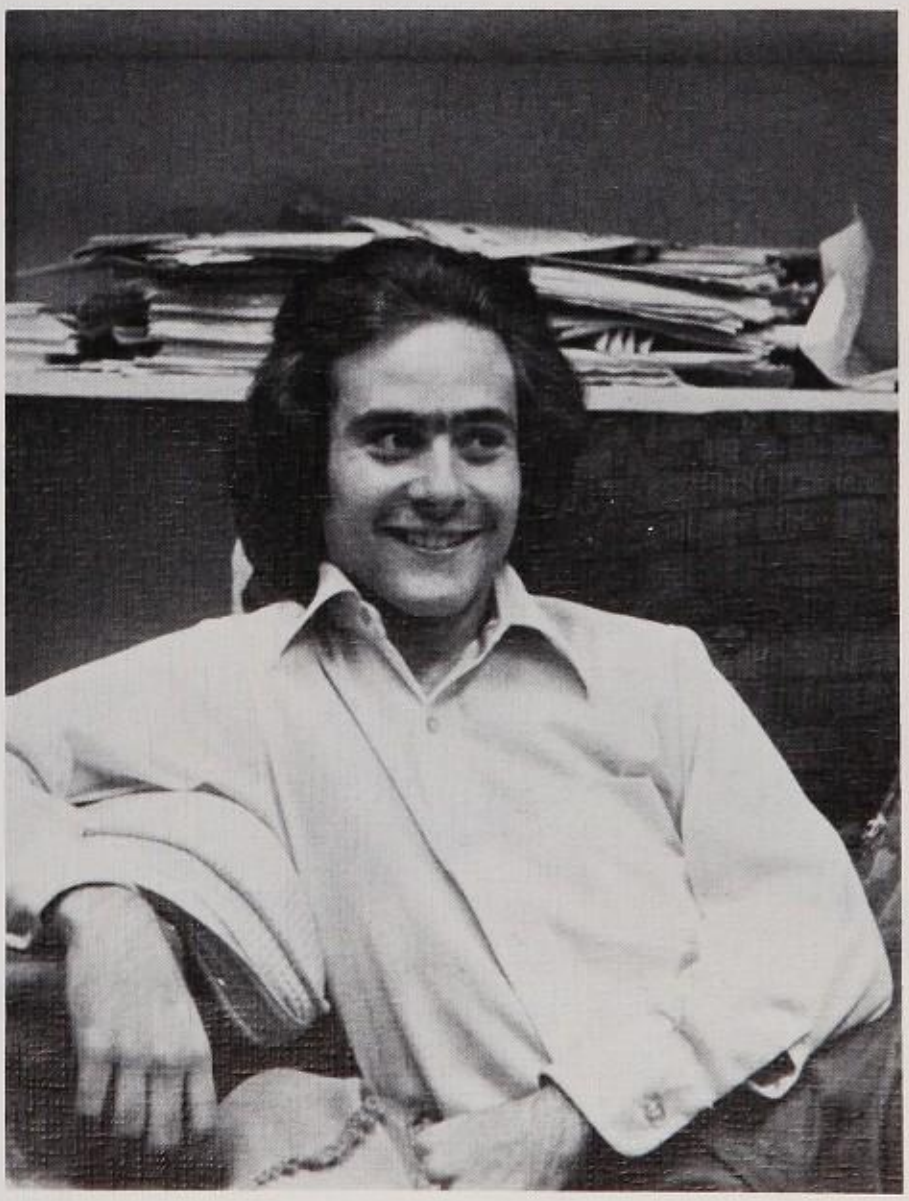
VALEDICTORIAN



Donald Puller, this year's Valedictorian, has proven himself to be a young man of great scholastic ability through his hard work and constant striving. In addition to his academic achievements, he has found time to participate in various extra curricular activities. Playing the clarinet in the Marching Band, being president of the Table Tennis Club, becoming photography editor of Devils' Tale, co-captain of the Math Team, and a member of the Spanish and National Honor Society are a few accomplishments which he can be proud of. He has also won several Yorker awards, and in addition finds time to do volunteer hospital work.

Don has high hopes of furthering his education in the medical field and plans to become a physician one day.

SALUTATORIAN



A very dedicated and diligent young man, Robert Cantor proves to be the appropriate candidate for Salutatorian. Along with his exceptional academic history, he is deeply involved in other areas. Bob has achieved the position of President in the Plainedge Medical Club, Copy Editor of the Devils Tale, co-captain of the Math Team, President of the Chess Club, and a member of both the National and French Honor Society. He, also, plays the clarinet for the Plainedge Marching Band. His high positions and involvement prove him to be a true leader.

Bob is the first student in the history of Plainedge whose name appeared in the WHO'S WHO AMONG HIGH SCHOOL STUDENTS, a truly great accomplishment. Pursuing a medical career is a definite part of Bob's future.

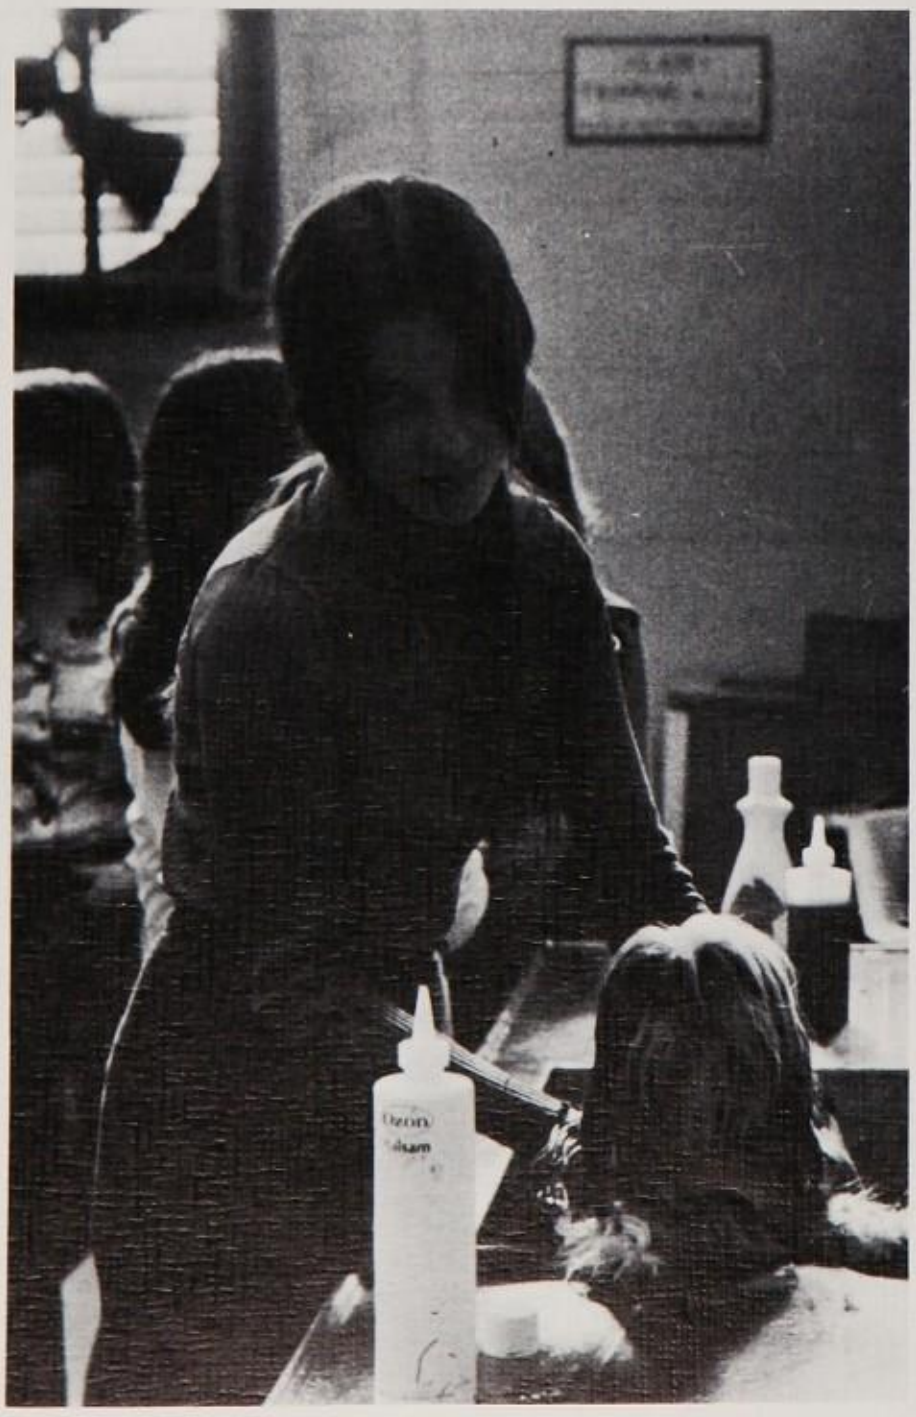
STAGE MANAG
STAGE MANAG

B.O.C.E.S.

B.O.C.E.S. (the Board of Cooperative Educational Services) is an educational program which allows certain students to receive a vocational, as well as academic education during high school. The students involved in the program spend approximately half of the school day at the B.O.C.E.S. center widening their skills and gaining practical experience which will help them in the future. The other half of the day is spent at the high school taking required courses.



COMMUNITY SCHOOL

The Community School was started for seniors only several years ago as an "alternative school." It was experimental and many people were confused about what it was. It combines Sophomores, Juniors and Seniors, and is trying to break down grade barriers.

Today, it is recognized as a success. Community School offers a freer kind of education, which allows for more discussion. It encourages students to use their own minds, pace their own work, and hand in an independent project at the end of the year.

ATTENDANCE SQUAD

The Attendance Squad is a group of students who assist Mrs. Staples in preparing the attendance sheets and records daily.

The members of the Office Service Squad help the secretaries by running errands, answering the phones and helping with the paper work.

OFFICE SERVICE SQUAD

HORTICULTURE CLUB

This club is made up of a few students who have an interest in plants and enjoy working in the greenhouse. Together with Mrs. Finneran they have prepared and worked to make their plant sale successful this year.

The Booster Club boosts all the school's football games with spirit and enthusiasm as they cheered the teams on to victory.

Dear Linda, Lots of luck and I...
I wish you the future and Thurs...
duck in the future. every Thurs...
hope you get every Thurs...
you want out of life...
Stay the same...

FRENCH CLUB

The French Club is a group of students who wish to pursue the French cultural contributions to our society, its people and the language.

FRENCH HONOR SOCIETY

This year, Mr. Robichaud and the members of the society taught French in the elementary schools of the district. By visiting these schools once a week the members tried to inspire an interest in French at an early stage of education.

FUTURE NURSES

The Future Nurses of America are students who are planning for a future in the Nursing Profession. The students view nursing films, tour clinical hospital health areas, and meet with guest speakers of the various nursing programs available to prospective candidates.

MEDICAL CLUB

The Medical Club is students who have a common interest in exploring the medical field and the paramedical disciplines. The students view films on various functions of the health teams in hospitals. They also tour hospital facilities to learn first hand the role and requirements of a physician.

and the role and requirements of a
and the role and requirements of a

KEY CLUB

The purpose of this club is to perform services around the community. Some projects this year were the collection of the can goods for the Thanksgiving and Christmas baskets for those less fortunate than ourselves. Other services performed throughout the year were attending the coat room during the Senior Play and the Homecoming Dance.

The students who are members of the Lab Squad perform many useful services to the Science Department They prepare experiments, gather materials and equipment needed by the Chemistry classes and teachers throughout the school.

LAB SQUAD

LIBRARY SQUAD

The Library Squad performs an essential service for the Plainedge students. They help shelve the books in their proper areas, file cards, and work at the desk checking out books.

These students, under the direction of Mrs. Bahrenberg, assist in tutoring and are generally directed towards a teaching career. Some members also participated in teaching foreign languages on the elementary school level.

FUTURE TEACHERS OF AMERICA

SPANISH HONOR SOCIETY

The Spanish Honor Society is a group consisting of those students outstanding in the language field. Twice a year the society assembles a Spanish newspaper consisting of stories, horoscopes, jokes, and art work done by the members. The society, advised by Mrs. Suzanne Vasi, has been to see a play in Spanish and plans to do a bicentennial project showing Spain's contribution to the American culture.

ITALIAN CLUB

The Italian Club, advised by Dr. Biagio Campana, created a French-Italian night combining the culture and food of both nationalities. The members investigate Italian culture and try to make it apparent in our society. Their various activities bring the Italian history and style into our awareness.

TABLE TENNIS

This club consists of 40 members. They practice competitively against each other. The 12 best students are then placed on the table tennis team to compete with other schools in our division.

YORKERS

The Yorker Club is aimed at making history enjoyable. This year, the annual Yorker trip was to Massachussetts, visiting the cities of Boston, Lexington, and Concord. Other trips were to Virginia and the Syracuse Convention.

GENERAL ORGANIZATION

The General Organization under the direction of Pete Rosenstein has accomplished many things this year such as the late admission program for seniors and a smoking area set up by the administration.

The Mathletes is a group composed of the mathematical geniuses of our school. With the help of faculty advisor, Ms. Jaffe, the Mathletes prepare themselves to compete with four high schools in trigonometry, geometry, and math theory problems.

VENTURES

Ventures, the school literary magazine, is composed of stories, pictures, poetry, and other works done by the Plainedge students. Under the direction of Mrs. Marilyn Goodman, each piece of work submitted is voted on and those selected appear in the magazine. It proves to be a fine piece of creativity.

MADRIGALS

Madrigals is a select group of talented singers under the direction of Mr. William McLocklin. Their songs are of varied types to please any audience. Twice a year their talent is used to put on a concert along with other musical groups for the entertainment of the school district.

MODERN MUSIC MASTERS

The members of Modern Music Masters are those outstanding in the music field. Each member of this Honor Society has participated in other musical groups within or out of the Plainedge area. To be a member of this society, according to Mr. Kenneth Haralick, its advisor, "is a true honor."

PLAINFOLK

Although under the direction of Mr. William McLocklin, Plainfolk is basically an independent group. The members choose their own music and using their various talents put together a fine medley of songs to please the audience at each concert in which they perform.

STAGE BAND

The Stage Band, under the direction of Mr. Ken Haralick, is a selected group of talented music students. They join together to give their version of the contemporary, jazz, and rock hits of the big-bands era.

ORCHESTRA

This year's orchestra, under its new director, Mr. Robert Spect, performed at the Winter and Spring Concerts. Once again the group conveyed their many talents through a variety of fine pieces.

MARCHING BAND

The Marching Band this year was full of many enthusiastic students, led by Mr. Haralick. They attended all home football games, and skillfully played selected pieces of music to entertain the cheering crowds. In addition to playing their music beautifully, they inspired spirit into the students of P.H.S.

Mr. Ken Haralick, Director

CONCERT CHOIR

Under the direction of Mr. McLocklin, the Concert Choir performs many works of music of various styles and moods. The blending of Soprano, Alto, Tenor, and Bass always produce beautiful harmonies. The Choir has long been a source of entertainment for the students and parents of Plainedge High School. The hard work of the members of the choir result in two outstanding performances during the year.

CONCERT BAND

The members of the Concert Band, under the direction of Mr. Kenneth Haralick, play twice a year in the school's winter and spring concerts. Their pieces of work are of various types. The members pool their talents to create an excellent performance.

This year's Gymnastics Team did exceptionally well. There was no individual superstar, instead it was a total team effort. As the year progressed, so did the team. They worked very hard to get from a 50 team, to an 80 team, a goal almost impossible to achieve. And finally the team went on to win the title of Division III Champs.

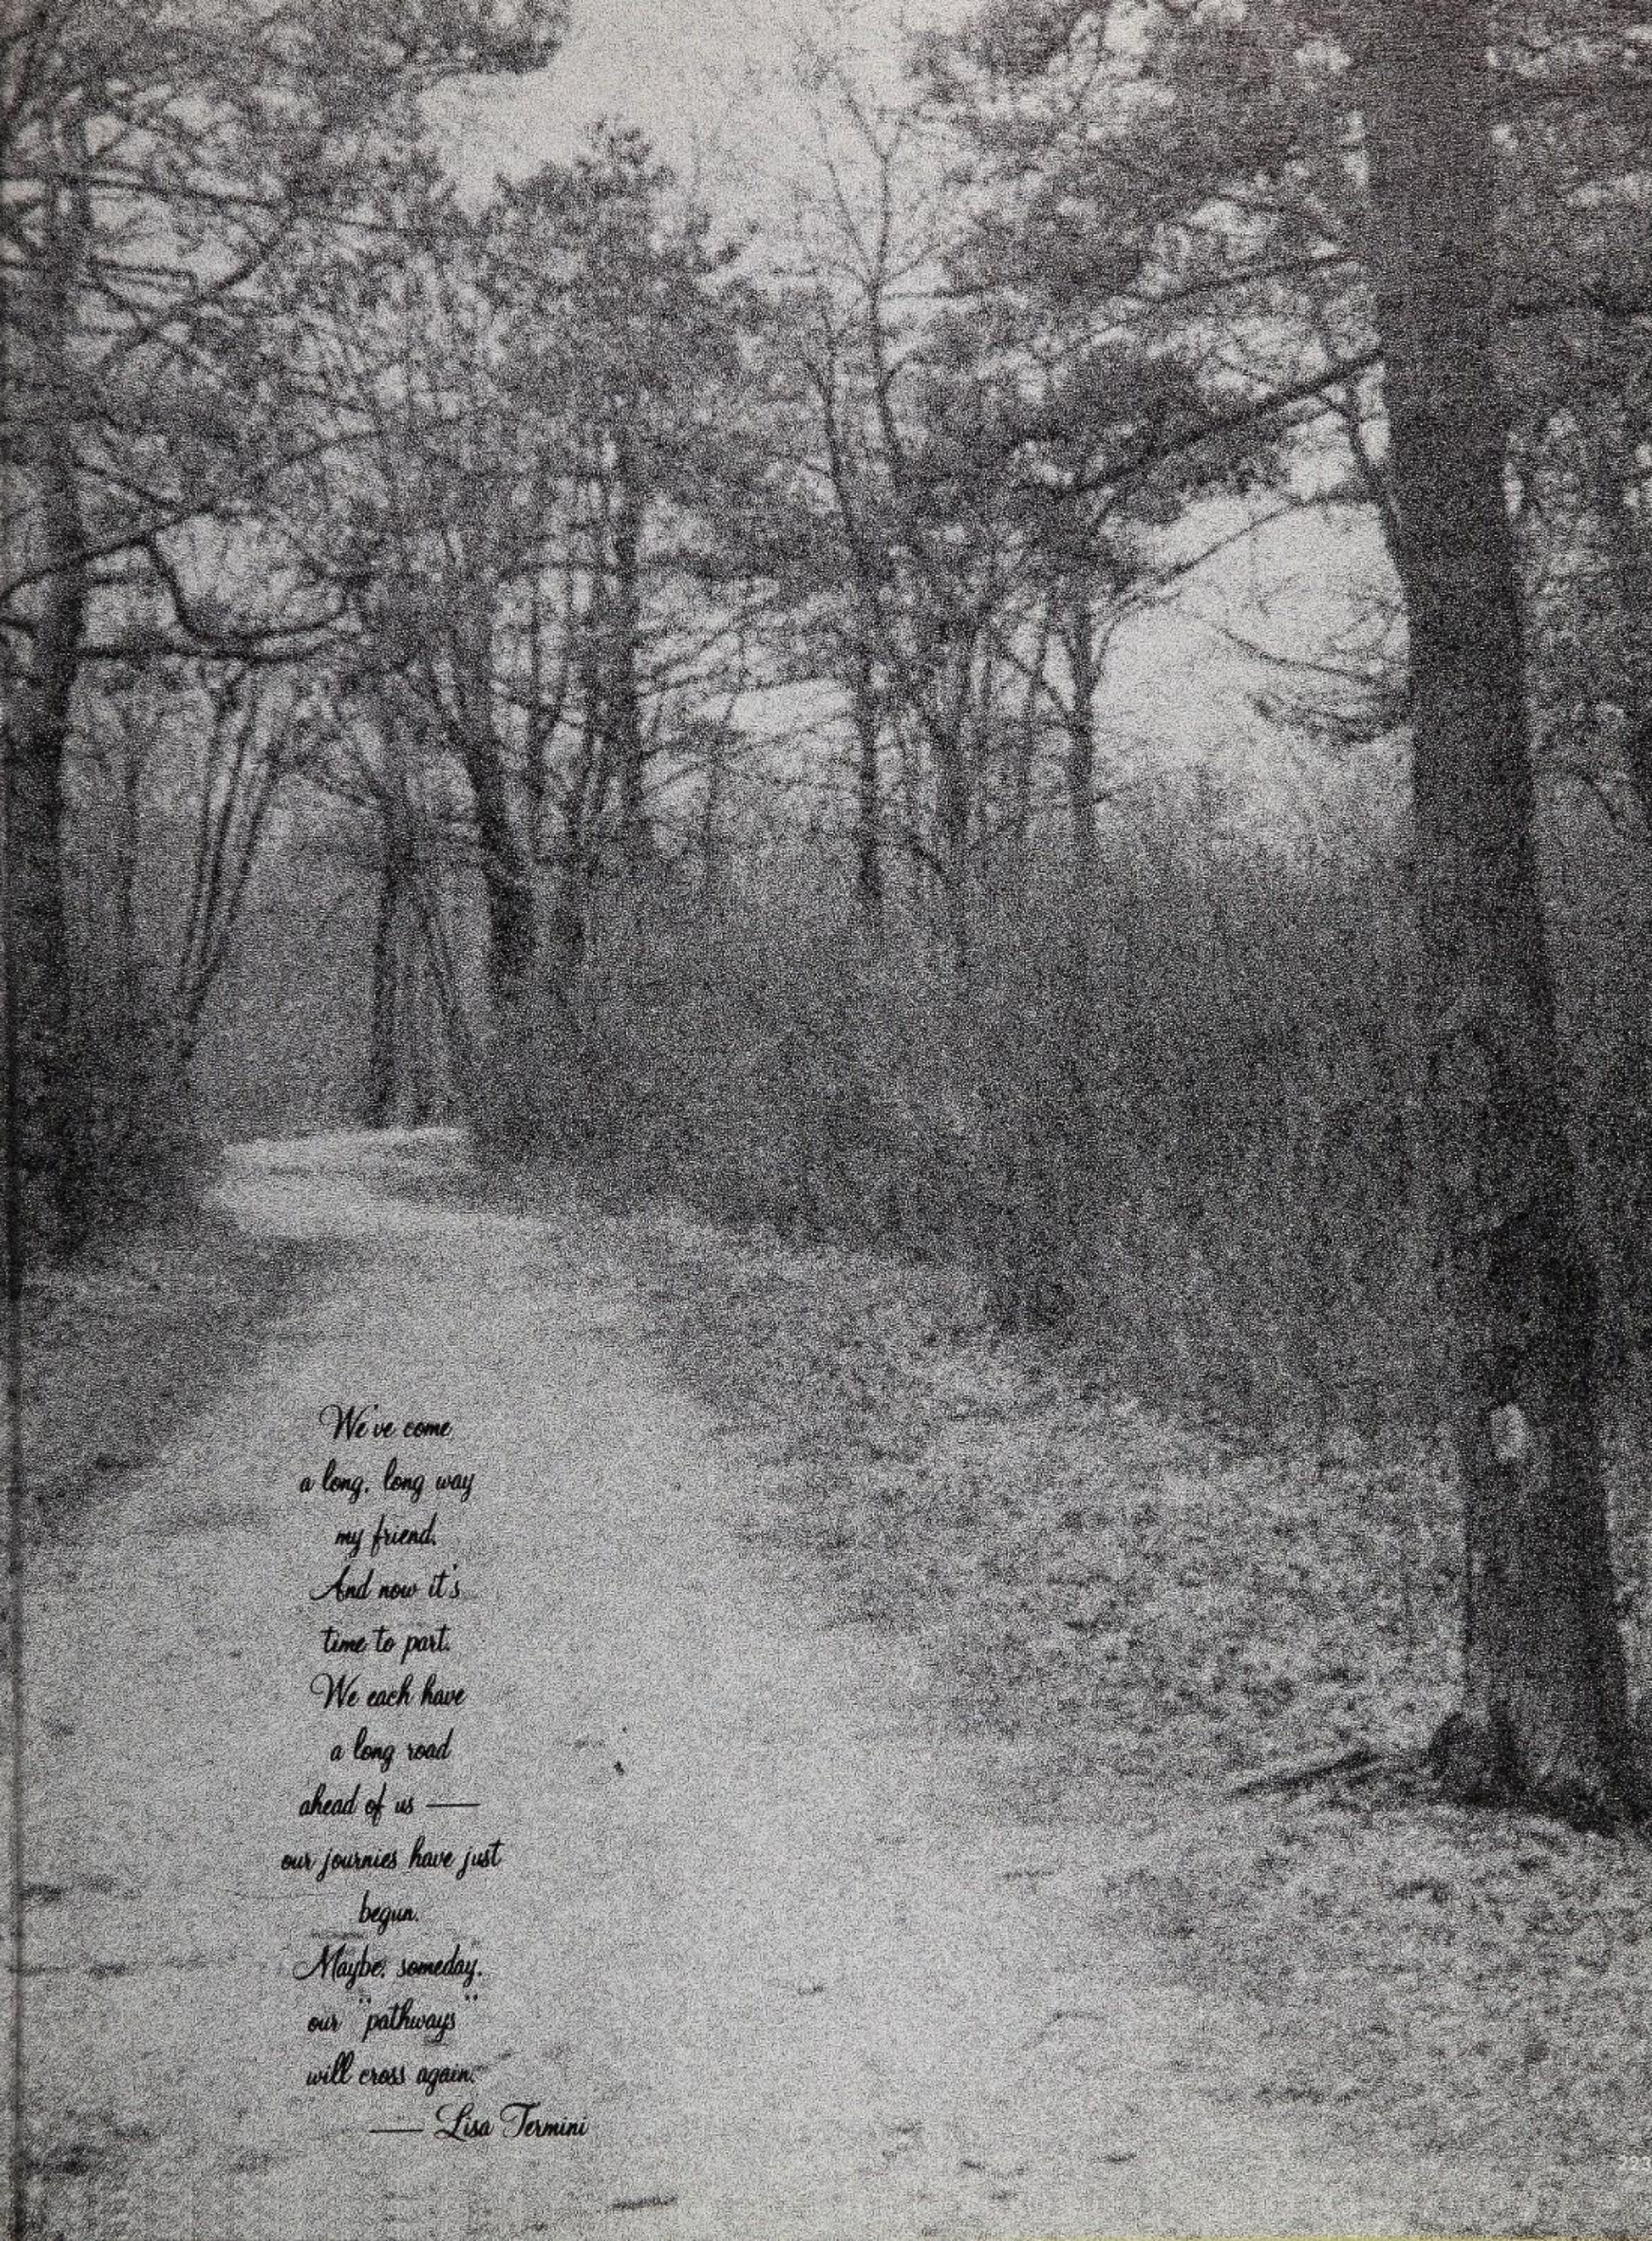
UNDERCLASSMEN

Freshmen 194-195
Juniors 188-191
Sophomores 192-193



We've come
a long, long way
my friend.
And now it's
time to part.
We each have
a long road
ahead of us ——
our journies have just
begun.
Maybe, someday,
our "pathways"
will cross again.

—— Lisa Termini

Together we have gone through this era of our lives.
We've shared moments which seemed insignificant to others.
But, important to us because within them was the warmth
of our friendship. Now it must end as we part.
But, my friend, if we should meet again, let it be like this.
Or let us remember enough of this to once again warm our hearts.
